Training

Training w/First Responders and select Customers

Conduct Chemical, Biological and

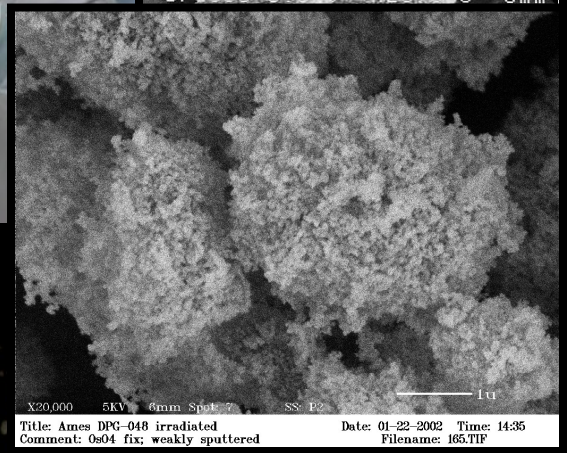
Pre Staged Events

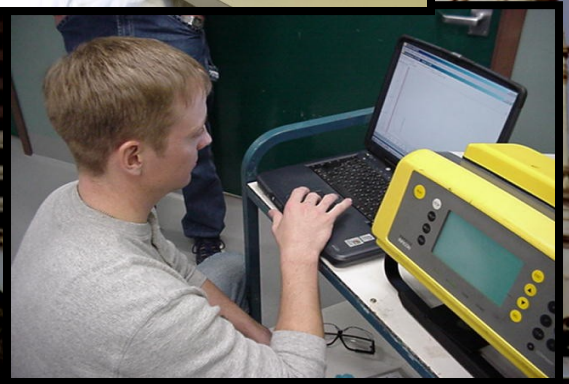
Low Profile Events

- Small area needed
- Small deployment package
- Alternate uniforms

Training

(Live Biological and Chemical Training)

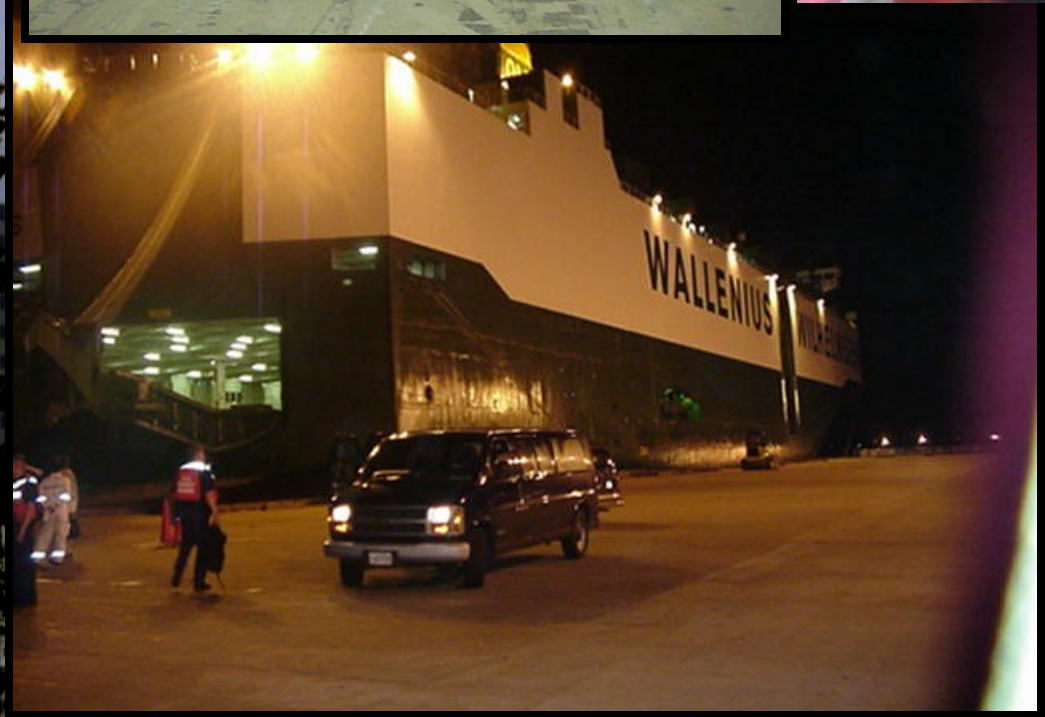




Training

(No Notice Deployment Training)

Real World
Don Carlos



Duty Status

Title 32: Under day-to-day control of the state Adjutant General for operational control and missioning. The 4th WMD CST can be deployed to an incident site at the direction of the Adjutant General without approval from the Department of the Army, Department of the Air Force, or the Department of Defense.

Title 10: The 4th WMD CST is subject to be called to federal active duty. If so, the unit would then fall under operational control of the DCO or the supported Combatant Commander

Who's In Charge

The 4th WMD CST will provide direct support to and take operational guidance from the Lead Federal Agency and the Incident Commander.

The Adjutant General of Georgia will command and control the 4th WMD CST through the Director of Joint Operations.

When deployed outside of Georgia, command and control
